The Sciencemadness library currently holds 50426 pages of reading and reference material in 107 volumes. Shorter articles from the old Sciencemadness library remain available. Thanks go to BromicAcid for providing hosting for these old books during our time of lean bandwidth. Thanks also go to S.C. Wack for providing many of the books found here. Most of these books are provided as PDF with ...

Organofluorine chemistry describes the chemistry of the organofluorines, organic compounds that contain the carbon-fluorine bond. Organofluorine compounds find diverse applications ranging from oil and water repellents to pharmaceuticals, refrigerants, and reagents in catalysis. In addition to these applications, some organofluorine compounds are pollutants because of their contributions to ...

Humans have 60-70 O<sub>2</sub>-dependent oxygenases, of which some are important therapeutic targets. A priority in the development of oxygenase inhibitors is to identify scaffolds selective for a particular enzyme, made challenging by the highly conserved oxygenase active sites.

Guidelines for all Chemistry Majors, Concentrators, and Interdepartmental Majors. Students majoring in chemistry or in one of the interdepartmental majors in chemistry should go to the director of undergraduate studies or the undergraduate program manager in the Department of Chemistry to discuss their program of study.

In organic chemistry, an alkene is an unsaturated hydrocarbon that contains at least one carbon-carbon double bond. The words alkene and olefin are often used interchangeably (see nomenclature section below). Acyclic alkenes, with only one double bond and no other functional groups, known as mono-enes, form a homologous series of hydrocarbons with the general formula  $C_n H_{2n}$ .

Welcome to the first national meeting of the Swedish Chemical Society! The meeting brings together more than 450 persons from all directions of chemistry represented within the society and offers a program of top plenary lectures, exciting specialized parallel sessions and plenty of room for interactions with meeting participants and exhibitors between scientific sessions.
