Anyone can draw but not everyone can make good drawings. Pencil drawing is a skill that needs a good  
foundation on theories because pencil drawing is a blend of theory and proper execution of these theories.  
Practice makes drawing perfect but foundation on the theories and techniques in drawing paves the way for  
better drawings.

Drawing only the shadows of the rocks (negative drawing) makes easy work of them! The two rocks in the water in the foreground are dark and richly textured. I use a 2B mechanical pencil to shade them in, then burnish with an additional layer using 2H chisel point clutch pencil to create the rich dark tones.
