The Oxford English Dictionary (OED) is the principal historical dictionary of the English language, published by Oxford University Press. It traces the historical development of the English language, providing a comprehensive resource to scholars and academic researchers, as well as describing usage in its many variations throughout the world.

Oxford English Dictionary - Wikipedia

Historical fiction is a literary genre in which the plot takes place in a setting located in the past. Although the term is commonly used as a synonym for the historical novel, it can also be applied to other types of narrative, including theatre, opera, cinema and television, as well as video games and graphic novels.. An essential element of historical fiction is that it is set in the past ...

The conversion from Thaana to Roman script follows the guidelines developed by Maldivian linguists in the 1970s. Consonants represent usual English sounds, except the combined consonants, e.g. lh, th, dh, gn, kh, and gh. The "sh" combination is the same in both languages. Double consonants are pronounced with stress. In this dictionary, double dhaalu is written "ddh" instead of the ...
