### **Intermediate Tactics: 50 Chess Puzzles Remove the Defender**

Do tactics, tactics, and more tactics. As an intermediate or "beginning tournament player," you are at the level where tactics, by themselves, are going to account for for 80-85% of your results, with very few battles being decided because of opening preparation or long-term strategical plans.

### **Study Plan For Intermediate Players: Tactics! - Chess.com**

Winning Material with Tactics As you progress from Beginner to Intermediate level, one of the things you will notice is that tactics are by far the most important part of the game. Although endgames, openings, and strategy all play a part too, tactics are important for every single move of every game.
