Introduction to Kleinian Theory Sue N. Carlson, LMHC (2015) Note to Students: Delving into Kleinian theory is not for the faint of heart. For some, the concepts seem outrageous and disturbing. If you find yourself reacting in this way, don't worry; you are in good company. At the same time, interest in and incorporation of many of Klein's

The Contemporary Kleinians of London is not an easy read for the Kleinian novice, but such a reader will emerge from the experience with a wish to read and know more. The dark veil imposed by fear of Klein has been lifted, and her ideas, becoming better known, will now be explored for their usefulness and truth value.

### **The death drive: Phenomenological perspectives in**

Many contemporary theoretical approaches to psychotherapy are referred to as neo-Freudian theories. However, many of these approaches are more accurately considered neo-Adlerian. A thorough comparison of Kleinian theory and Adlerian theory demonstrates that Kleinian theory may be better referred to as a neo-Adlerian approach.
