

nec3 engineering and construction pdf

The New Engineering Contract (NEC), or NEC Engineering and Construction Contract, is a formalised system created by the Institution of Civil Engineers that guides the drafting of documents on civil engineering and construction projects for the purpose of obtaining tenders, awarding and administering contracts. As such they legally define the responsibilities and duties of Employers (who ...

NEC Engineering and Construction Contract - Wikipedia

Description Launched in 1991, the New Engineering Contract (NEC) has become one of the UK's leading standard forms of contract for major construction and civil engineering projects.
