The service engine soon light is often confused with the check engine light. The check engine light is a light to alert you to a possible problem with the exhaust and emissions systems. This will let you know when there is an excessive concentration of carbon monoxide being emitted through your exhaust system.

### **Why the Service Engine Soon Light Might Come On**

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to

warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.
