Services marketing is a specialised branch of marketing. Services marketing emerged as a separate field of study in the early 1980s, following the recognition that the unique characteristics of services required different strategies compared with the marketing of physical goods.. Services marketing typically refers to both business to consumer (B2C) and business-to-business (B2B) services, and ...

The Millennial Generation (Hero, born 1982â€“2004) first arrived amid â€œBabies on Boardâ€• signs, when abortion and divorce rates ebbed, the popular culture recast babies as special, and hands-off parental styles were replaced by Lamaze and attachment-parenting obsessiveness. Child abuse and child safety became hot topics, while books teaching virtues, values, and team-playing citizenship ...
