Renaissance art is the painting, sculpture and decorative arts of the period of European history, emerging as a distinct style in Italy in about 1400, in parallel with developments which occurred in philosophy, literature, music, and science. Renaissance art, perceived as the noblest of ancient traditions, took as its foundation the art of Classical antiquity, but transformed that tradition by ...

An art film is typically a serious, independent film, aimed at a niche market rather than a mass market audience. It is "intended to be a serious, artistic work, often experimental and not designed for mass appeal", "made primarily for aesthetic reasons rather than commercial profit", and contains "unconventional or highly symbolic content". Film critics and film studies scholars typically ...
