The social sciences take an interest in symbols mainly because these provide legitimacy for hierarchical power structures. The uses of symbols in politics derive from the functions they fulfill in the objective arrangements of the social and political world. Symbols give meaning to the ordinary, habitual, and predictable.

Symbols have played powerful roles in the development of the human species. Millennia of cave paintings, etchings on stone, and letters on paper serve as humanity's reminders of promises, covenants, and loyalties. In recent times, many citizens have begun to recognize Illuminati symbols reflected in the world around them.
