For coaches of endurance athletes, or serious self-coached endurance athletes, The Science of Winning provides deep and easily understood analysis of what sort of approaches to training produce results. While the book focuses on swimming, with a little imagination you can translate the principles within to any other endurance sport.

The Science of Winning: Planning, Periodizing and

You cannot win love by service; you can only win love by BEING SOMETHING. You do not make people love you by the number of things you do for them. If they love you, it will be for what you are. If you overdo the matter of service, you will almost invariably receive the contempt of the person you serve.

Love.doc - The Science of Getting Rich

The science of winning in financial services Executive summary 2 Financial services companies recognize the tremendous potential value of the data they hold and are working hard to exploit that value. Initiatives in better data management and analytics are beginning to bear fruit. However, as this research highlights, realizing and creating
